Rules/Guidelines:

Exhibitors must wash out cans and clean cages before they are allowed to check out rabbits.

1. All rabbits must be permanently tattooed in the left ear prior to check-in. Contact a project leader before the Fair if you need assistance tattooing.
2. Rabbits will be judged using the ARBA Standard of Perfection book for all classes.
3. Rabbits and other fur bearing animals showing evidence of specific disease may not be exhibited at the Fair. If at any time any animal shows signs of disease, it shall be removed immediately from the exhibit and returned to the owner.
4. An exhibitor may show no more than 12 animals and the same animal may not be shown in both junior and open divisions. An exhibitor may only make one entry per class number within each division.
5. All rabbits must be at least 8 weeks old on check-in day and meet their minimum junior weight to be exhibited at the Fair. Exhibitors with rabbits that can escape from cages must secure the cage(s) with smaller wire upon check-in.
6. Rabbits must be owned and cared for prior to May 1st of exhibit year or bred by the exhibitor. Superintendent may ask for documentation if there is a question of ownership.
7. All rabbits at the fair must be weaned.
8. Exhibitors are allowed to place 'for sale' signs on cages following the conclusion of the small animal auction on Friday. No additional rabbits that are not entered in the show are allowed in the barn during the Fair.
9. The Superintendent will decide what size cage each rabbit will be given. The only breeds that will get double cages are French Lops, Flemish Giants, Checkered Giants, Giant Chinchillas, Giant Angoras, Americans, Beverens, English Lops and Meat Pens. All cage sizes are based on barn capacity as well.

10. Please notify the Superintendent prior to set-up if you require a double cage for a breeder's class litter so they can plan accordingly. The Superintendent has the right to further divide litters if they appear uncomfortable or fighting occurs.
11. No exhibitor may touch/handle/or remove a rabbit that is not theirs. The Superintendent does have the right to handle an animal if they feel that it requires attention. In the event the Superintendent is unavailable, the County Rabbit Project Leader does have the right to handle an animal if they feel it requires attention.
12. All exhibitors are required to do at least 2 shifts of barn sitting.
13. Exhibitors are responsible for feeding and watering on a daily basis as well as cleaning under cages as needed. Feed, water, and shavings may be provided. Limited food dishes are available for junior class exhibitors. Exhibitors should plan on bringing their own dishes/water bottles.
14. Animals cannot be removed from cages or the small animal barn prior to 7:00PM on the last day of fair.
15. Failure to follow the above rules may result in disqualification and/or loss of premiums.
16. Continued disregard of rules could result in not being able to show at the Washington County Fair in the future.

No changes will be made to entries after June 10th. Double check your entries and bring your printed receipt with you to the Fair if there are computer errors. Any rabbits entered incorrectly must be shown in the class they are entered in and will be placed accordingly.
