

Department 103 – Jr. Swine

Superintendent

Josh Hawig 262-707-8723 jah11horns32@yahoo.com

Assistant Superintendent:

Lindsey Kiel lindskiel@gmail.com

Registration Deadline: June 10, 2025

Animal Check in 10 AM to 12 noon PM Tuesday

Judging: Wednesday 4:00 PM

Rules/Guidelines:

1. There will be no Breeding Division for Swine at the Fair. The swine show is terminal for 2025. Upon release from the fairgrounds, self-hauls are not permitted.
2. Tack areas are limited, please bring only necessary items.
3. Check-in: All hogs must arrive at the Fair with a certificate of veterinary inspection (health papers) and be checked in with the Superintendent by 12:00 PM on Tuesday. Hog check-in begins at 10:00 AM. Any hogs unloaded before being checked in with the Superintendent, will forfeit show rights. Health papers must have the Washington County Fair ear tag numbers written on them and be dated with-in the last 30 days. The certificate of veterinary inspection must state that all animals in the herd have been inspected on the farm within 30 days prior to the fair and no disease has been present in the herd for the last 30 days. All Fair paperwork will be collected at time of unloading, this includes health papers, consignment/ethics/antibiotics.
4. All hogs must be single RFID tagged with Washington County Fair Identification day issued tag **upon arrival** at the fair. All unofficial tags (including sale or breeder tags) must be removed. If a tag is missing, the animal will not be eligible to show in a market class. **If a tag is lost during the feeding period, the superintendent, or the livestock committee chairman must be notified within one week.** Arrangements will be made to retag the animal.
5. Weigh-In: Swine will be weighed pen by pen immediately following lambs, which starts at **1:00 PM on Tuesday.**
6. Conduct: No one is allowed in the show ring except those approved by the Superintendent.

CONTINUED

7. Exhibitors must do their own work; this is part of the learning process. Any mentoring by a project leader or breeder should be complete by the time of the Fair. Exhibitors need to get written permission from the Swine Superintendent to have anyone other than an immediate family member touch, handle, or prepare their pig. This includes going into the animal's pen. This rule will be in effect from **10:00 AM on Tuesday** to until all judging has been completed on Wednesday evening. This rule applies to anywhere on the fairgrounds. Other Washington County Junior Fair swine exhibitors and their family members can assist any exhibitor in penning or moving animals at any time. The immediate family is defined as brother, sister, parent/guardian, stepparent/guardian, or grandparent.
8. Exhibitors and their families shall conduct themselves in an ethical manner and maintain honesty throughout this competitive environment before, during, and after the event. Should misconduct be discovered, the entry and exhibitor will not be allowed to compete. Should misconduct be discovered after the show, the exhibitor will be required to forfeit ribbons, championships, and premiums awarded.
9. Barn hours are posted in the barn. No one is allowed in the barn during closed hours, without Superintendent permission.
10. A maximum of one pen will be allotted for each swine exhibitor. Please pen your fair pigs together prior to the fair to eliminate fighting.
11. Exhibitors who violate any of the rules may be prohibited from competition at future events and/or loss of premiums.

Recommendations for 2025:

- Feeding your pigs before 8:00 AM in the morning and between 5:00 PM – 6:00 PM at night.
- Clean your pens before 8:00 AM not during the day to avoid a lot of contact with the general public.
- Due to limited capacity at the locker plants, some hogs may be removed from the fairgrounds early (Friday). Contact the Superintendent for more details.

Division A – Market Class

Class No:

1. Market Hog (1st Hog)
2. Market Hog (2nd Hog)
3. Home Bred and Raised Market Hog (1st Hog)
4. Home Bred and Raised Market Hog (2nd Hog)

Division Rules:

1. 225 lbs. minimum weight.
2. There will be no maximum weight for market class barrows or gilts.
3. If entering only ONE hog (not HBR): enter in Class No.1. If entering TWO hogs (not HBR): enter in both Class No. 1 and Class No. 2. If entering Home Bred and Raised (HBR): enter Class No. 3 for the first hog and Class No. 4 for the second HBR hog.
4. **If you have a MIX of purchased and home bred and raised hogs and have not decided which will go to the Fair, enter them as home bred and raised. They will be finalized/repositioned at the Fair when verifying qualifications. It is the exhibitor's responsibility to notify the swine Superintendent, which animals will be in the Home Bred and Raised class upon unloading at the Fair. If the HBR entries for recognition and ranking of the top two, after market classes are completed. In this scenario HBR Champion will not compete in the Grand Champion or Reserve Grand Champion drives.**
5. Exhibitors may enter a maximum of 2 animals in Division A
6. Exhibits that have been erroneously entered may, at the discretion of the department Superintendent, be transferred to their proper class prior to the judging.

To qualify for the Market Classes:

All hogs must be in compliance with all Identification Day rules and deadlines. Identification day will be Saturday April 12, 2025 at the Public Agency Center (PAC) in West Bend from 8 AM to 10 AM. Tags and instructions will be given on Identification Day. Exhibitors need to tag and take three (3) clear pictures of each animal according to instructions and fill out the google form. Ear tag numbers must be readable in the head shot photo. All forms (including pictures) must be submitted by April 22, 2025 to the email given on the google form. Check with the registration committee at the Identification Day.

A minimum of two (2) approved educational experiences must be completed and reported on the proper form. The educational form must be completed, signed and submitted to wash.co.asa.1858@gmail.com by June 30th.

Thank-you cards for the trophies (or other market class awards) and the Meat Animal Sale are very important to keep a positive image for the swine project. They need to be filled out with at least two sentences in the main message. The envelopes must be addressed clearly with both address and return address, be unsealed, and have a valid postage stamp. Thank-you cards must be turned into the Superintendent by noon on Saturday.

To qualify for the Home Bred and Raised Market Class:

The exhibitor or the exhibitor's immediate family must have full ownership of, and be in possession of, the mother (gilt or sow) of the animal entered at the time of breeding and maintain possession on the premises of the exhibitor or exhibitor's immediate family. Proof of ownership will need to be provided if requested. This proof of ownership may include, but may not be limited to, dated pictures, dated animal or semen receipts, dated and signed first-hand accounts of seeing the animals by a 4H project leader, an FFA advisor or the swine Superintendent. The immediate family is defined as brother, sister, parent/guardian, stepparent/guardian, or grandparent. Any exhibitor who cannot prove ownership or does not meet all these requirements will show in the regular market class and will not be eligible for the Home Bred and Raised Market Class. Meat Animal Sale committee definitions will be used for sale recognition only and do not prove eligibility for this class.

All market animals will be divided as equally as possible into weight divisions based on weights when weighted on entry day.

Market barrows, market gilts, and home bred and raised market hogs will all show separately in different classes at the discretion of the Superintendent. The Superintendent may put barrows, gilts, and/or HBR entries together in a class, if it would allow for more even classes by weight spread or to get the classes to better fit the Danish ribbon system. Animals cannot be shown more than one market class.

Non-Sale animals may show separately.

The Champion Barrow, Champion Gilt, and Champion Home Bred and Raised will compete for the Grand Champion. Top five of each (barrow, gilt, HBR) will be selected and receive ribbon only. No premiums are given for top five; they already would have a premium from class placing.

Division B- Carcass – Hog

(Danish Judging) Carcass Shows – The Ultrasound on Friday will be used as our Carcass Evaluation.

One entry must be made to receive premiums. Time and dates are subject to change.

Class No:

1. Carcass
