

Fairest of the Fair Sponsorship Commitment Form

The Washington County Fairest of the Fair program is proud to return after a 14-year hiatus. Our goal is to build a strong program that promotes leadership, community involvement, public speaking, and agricultural advocacy while representing Washington County throughout the year.

Your support helps provide scholarships, professional attire, educational experiences, and promotional opportunities for our candidates. By becoming a sponsor, you will make a lasting impact while gaining visibility throughout the fair season and community events.
